BUS TICKETS

Round trip bus tickets are now on sale at the Business Office for the Valley-San Diego football game Saturday night, Nov. 2. Tickets are being sold for \$5.50.

The Continental Trailways busses will leave from Valley on Saturday at 4 p.m. and will return 2 a.m. Sunday from San Diego after the game. Busses are equipped with lounges where students will be able to play cards, relax and socialize.

Stormy Week, Madeline Reigns

Climaxing a stormy week of ment of all other Homecoming activ- running from the Monarchettes. campaigning, Madeline Mack quietly reigned as Homecoming Queen after her coronation.

Blue eyes and blonde hair proved to be the magic formula which helped the 18-year-old coed emerge as "the prettiest of them all" in the Homecoming Queen's race.

Beginning with her reign at the Harvest Moon Ball last Friday after William J. McNelis, she sat in judg- Angeles contestant Andrea Danek,

Donna Russell

First runner-up in the race for the roses was blonde Donna Russell, sponsored by Valley Collegiate Players. The vote separating the two fairhaired girls was small.

Placing behind Queen Madeline Mack and Miss Russell were Lynn Guzey, sponsored by Valley Techs; Zorica Tosic, Hillel's candidate for her coronation by Valley's President the throne; and Miss Teenage Los

Dance a Success

The Harvest Moon Ball, planned by Miss Ferguson, drew a near capacity crowd of spectators who wanted to find who was to rule over them as

At midnight the Cinderella's rule came to an end until Saturday when she sat on the 50-vard line during the Valley-Bakersfield contest.

During halftime activities Saturday night, Miss Mack was on one of the nine floats which took part in the climax of the hectic period which marked Homecoming 1963. Utilizing the \$25 which IOC made available to clubs who wanted to make floats, all were colorfully constructed as a gaudy testimony to Valley's rejuvenated enthusiasm this semester.

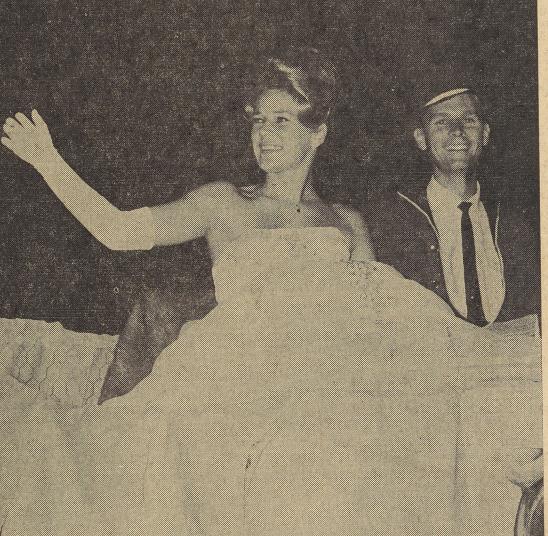

Princesses and Queen

One by one, the floats entered the oval track around the football field carrying her majesty, princesses and the other vivacious queen candidates. Entering the stadium last was Miss Mack's float.

The rigorous Homecoming week activities began a week ago Tuesday with the queen candidates assembling in the men's gym so that Valley's beauty critics could focus their critical judgment and decide who should

Jerry and Myrna, folksingers, supplied the entertainment for the assembly after Jim Kinkead, commissioner of elections, introduced the 14 beauties and IOC President Jan Yacobellis told a little of each of the girls' background.

Non-placing beauties which took part in the race were Yolanda Veloz from the Art Club, Sue McGregor of WAA, Beta Phi Gamma's Sandy Bronsten, Laryssa Hankewich of the Fine Arts Club, Wendy Wickstrom from VABS, Sue Bryant of the International Club, Frauke Geilhof who was the German Club's entry, Randi Soloff of the Young Republicans and the Newman Club's Cheryl Ayer.

Student Government Leaders Shine

College returned from the Area 4 regional government conference at Antelope Valley College Saturday after "running the show."

Valley delegates authored more resolutions for improving the junior college system than the other schools combined. Led by student body president Jack Easton, Valley's contingent was responsible for the adoption of collegiate relations on a social level.

Valley expressed their opinion that on-campus athletic events afford an opportunity to improve intercollegiate relations in a significant manner and a need existed to improve on the success of activity programs of the colleges involved. Valley then moved to recommend to the Atheltic Con-Federal Government infringment on ference of Area 4 that existing standards concerning dances and social activities immediately following athof the increase of government power letic events be revised to allow intercollegiate exchanges after athletic events. The motion passed.

Another significant motion initijor at Valley and a member of the ated by Valley was a resolution that campus YR's and Quadwranglers. He all of the colleges, specifically their Inter Organization Councils, hold a club sponsors' luncheon every semes-

ing at the conference, Easton stated, "We didn't go for the free lunch-We went for business."

The council recently filled the offices of corresponding secretary and historian. Appointed secretary was Laryssa Hankewich, 19 year old education major. Miss Hankewich is a resident of Encino and graduated from Corvallis High School. After her resolutions such as improving inter- appointment, she stated that she didn't want to be "just another body on campus," and she plans to continue in student government next semester. Miss Hankevich was the Fine Arts club candidate for Homecoming queen last week.

Velene Campbell accepted the position of historian. She is a pyschology-philosophy major and a June graduate of Monroe High School.

As historian it will be Miss Camp-

activities at Valley which will serve as an official history of the college's events. She remarked that she hopes to learn more about student government this year so that she may become a more active member of the student body. Historian is a non-voting position on the council.

Valley's own green and gold dollar sign, Henry Miller, opposed the allocation of funds for a victory flag at a recent finance committee meeting. The finance committee chairman asserted that a victory flag had been purchased by the college already, and it would be cheaper to look for the old one before purchasing a new one. Miller produced the old flag at the next Executive Council meeting, and it was decided to drop plans for the purchase of a new flag.

council approved the donating of funds derived from selling green booster derbies at football games to the Green and Gold Fund.

The finance committee recommended to the council that \$325 be applied to a specific contract with the musicians union for two campus concerts. The musicians union will match this amount and provide two additional concerts.

Council will vote today on a recommendation by Barry Ksionzki that the position of commissioner of fine arts be added to the council. At Tuesday's meeting Ksionzki distributed a mimeographed sheet listing reasons for the suggested change.

If the addition is approved by three fourths of the council, the issue will appear on this semester's ballot at the general election.

Scholarship **Applications** Now on Hand

gram, as outlined by Dr. Aura-Lee Ageton, associate professor of economics and secretary of the program, is for any student who feels worthy and needs financial assistance.

Scholarship applications are available at the office of Dr. Ageton and should be filled out and filed well in advance. If they are on file when an award comes up, selection is simplified. If no award is available at the time of filing, a search is made the community to fulfill the needs of

\$1,500 Available

Scholarships totaling \$1,500 are currently available for qualified students. Qualifications for the scholarships include recommendations from two teachers, financial need and evidence of the applicant's service to the school and to the community.

Scholarship awards are classified in various catagories, including educational awards, grants, book awards and loans. However, they should not be confused with emergency loans, which are under the supervision of Dr. Margaret Crawford.

Application Updated

Former applications can also be reactivated and up-dated at the office of Dr. Ageton.

New Holidays Enlarge Calendar

In case you hadn't noticed, today is Halloween. student to use its new car for the night—the real With all of the candy going to the younger set and with classes meeting as scheduled, there is really no reason for Valley students to become overjoyed.

It seems that each year new holidays are added to the calendar, and it's beginning to appear as if this country will take the entire year of 1984 off because of holidays. Soon after that holidays will have to share the same day. July 4 will be Independence Day until noon at which time it will become Ground Hog Day until 6 p.m. when it will be Judge Crater's birthday.

The latest craze and biggest seller in the government store is "The Week." There is apple week, bathing suit week, radiator cap week and once in a while something that is worthwhile like news-

taken, the remaining few might be assigned to For just a week everyone can wear smiles instead these following activities. "Invite a student to din- of leaving them to jack o' lanterns. reason for him showing up for dinner in the first place. True, this is deviating from the original idea of the holiday, but then aren't all holidays that way?

Students already take over city government for one day each year, but they can't really accomplish much unless they have a full week. This would enable students to show the public that their ideas would help the city immeasurably such as revamping existing dress regulations for the Los Angeles City School System. During the week ads could be run in various newspapers and magazines quoting, "I dreamed I went to my geology class in my

SALT LAKE CITY, Utah (I.P.)—A University of Utah committee has made recommendations based upon the belief that the "fraternities and sororities at the university are an important part of the community, that they make substantial contribution to the educational experiences of students, and that specific kinds of actions need be taken by the faculty, administration, students, parents, and alumni if the potential contribution of fraternities and sororities is to be realized."

The committee's report recommended that: A Continuing Advisory Committee on fraternities and sororities be approved by the president representing students, alumni and

VALLEY FORGE

Valley College Comes to Life

By MARTY SIMONS, Editor

Since the announcement that Carey McWilliams was going to speak at Valley College, a new life was injected into Valley's blood-

Students now had something to discuss besides new car styles. One faction insisted that McWilliams should never be allowed to

speak on campus because of his liberal political views. The other insisted had just woken up after missing the that McWilliams' reputation has been

tainted greatly by conservative mudslingers. The day McWil-

liams was due to speak, rumors circulated around campus that one of the clubs was going to picket his speech. More interest has been generated about the Athenaeum

Marty Simons

event at this point than is shown about most dances at Valley. This interest was reflected later in the day when McWilliams spoke to an overflow audience in the little theater.

McWilliams spoke on the need for dissent in the American society and one had the feeling he accomplished what he came for even before he spoke. McWilliams certainly contributed to the need for dissent as evidenced by the distribution of handbills outside the theater protesting his appearance on campus. Dr. Fletcher. host of the event, later commented on the handbills as being welcome because the Athenaeum hopes to bring different viewpoints and opinions to the Valley student so that "he can make up his own mind based on the

Beginning his talk, the editor of The Nation magazine used tactics he had apparently learned sometime ago in arrousing audiences. His words were met with bursts of applause and

McWilliams later denounced conformity and cited areas where dissent is suppressed, such as art, religion

Hecklers continued to voice disapproval throughout McWilliams speech even though it lacked the "teeth" that most had expected. One man who was determined not to let Mc-Williams speak under the best of conditions spent his time in front of the stage with a camera setting off the flash unit. This might have been overlooked had he bothered to put film in the camera.

A question and answer period followed the speech. Some people either had trouble interpreting Dr. Fletcher's request for questions instead of speeches or were just plain childish. One such incident occurred immediately after Fletcher's plea when David Bransby, president of the Young Republicans, began to recite from one of the handbills that had been passed out. After rattling on, Bransby finished with a question that everyone could have answered for McWilliams. One couldn't help but get the feeling that the Young Republican leader first hour of the speech.

At the conclusion of the speech, the lively audience adjourned to the pavillion outside the theater where they gathered to review the thoughts presented by McWilliams. At this time several men were engaged in a heated verbal battle with several Valley students. Even though the debaters were standing face to face there was an obvious lack of communication. The conversation between the student and the unidentified middle-aged man went like this.

"McWilliams is detrimental to this country," shouted the man.

"Why do you say that," asked the

"You're just like all the rest," concluded the man. "Why don't you quit school and go out and get a job and find out what it's really all about."

"I don't think you know what you're talking about," said the stu-

"Did you know," he retaliated, "that Rockefeller is secretly building oil wells in Russia?'

"Yes," he added excitedly, "and Dr. Ross, of dog food fame, should be our new leader.'

"Yes, I've always thought he was doggone good," said the student. "Youngster, you have no idea of what I'm talking about."

"Sure I do," said the student. "I'll bet that YOU didn't know that Sandy Koufax is a communist."

"Sure he is," said the student. "Everyone knows Koufax is a left

And so it went for quite a while after McWilliams had left the theater. Most everyone had something to add and even that man with the filmless camera continued to take pic-

The Athenaeum deserves a blue ribbon for sponsoring this event. For the first time in their lives, Valley students were beginning to believe in the elusive "collegiate atmosphere." Every once in a while someone will remind you that one can't learn everything in history books but it is still exciting to realize this for yourself .. over and over. Each time, one's thirst for this animated political science textbook grows.

A visiting Valley State student remarked as he left the little theater Monday night, "The students at State wish we could have something like this." Valley does—we hope for a long

Editorial Adviser . Valley Star editorials, signed and unsigned, reflect the unanimous opinion of the editors and in no way represent student or college opinion. Letters to the editor must be signed, are limited to 250 words and can be edited at the discretion of the staff according to technical limitations.

Dear Editor:

The Valley Star did not shine so brightly when "Wan Lung Low" was in the hospital. It is good to have our editor back at his desk.

HENRY MILLER

Dear Editor: Roy Stone had no authority to send

a letter to you last week representing the AMS board in a matter concerning off campus clubs. The board has never met as a legal body. The sponsor of the AMS board was not informed of this presumptuous letter.

Stone was rightly censured for this by the Executive Council. The illegality of Stone's position would never have been sponsored by the AMS board or its sponsor.

If I may be facetious for a few lines I would like to laud the Bakersfield fans for their wonderful sportmanlike conduct during the halftime show and during the playing of our alma mater. I feel their conduct should be adopted as a standard for proper conduct for fans.

Writing Contest Open to Students

The Valley College Writer's Club is sponsoring its semi-annual ontest for beginning writers whose work has not yet appeared in ny school publication to date.

The contest is divided into two sections, Alpha Tyro for students 1 and under and Beta Tyro for students over 21. Awards consisting

novels and books in the field of riting will be given each selection. If prose is being submitted, contest les stipulate that it be no less than aree typewritten pages or approxmately 900 words. If poetry is being

entered, contest rules require it to be

least 40 lines in length. All entries must be typewritten nd are to be double-spaced and subitted in triplicate. No name is to ppear on the entry. All the qualifying entries may be published in the club publication—Manuscript.

All those wishing to enter the Tyro ontest have until Nov. 27 to either nail or bring in their entries to the lub sponsor, Irwin Porges, assistant professor of English at Valley. All entries being mailed should be sent to Mr. Porges, English Department, Los Angeles Valley College, 5800 Fulton Avenue, Van Nuys.

The club is also currently sponsorg its annual contest for experienced student writers. The contest offers oung writers the chance at a \$100 or \$75 scholarship to be used for a summer writing workshop of the writer's choice. The rules state that prose must be 15 to 25 pages in length and poetry 7 to 10 pages or 7 to 10 indi-

The contest will be judged by professional writers and editors not connected with Valley College.

The contest began Oct. 23 and is scheduled to end March 15.

VC Letermen's Club Selects Fall Officers

In its weekly meeting the Valley College Lettermen's Club selected interim officers and an executive committee which will guide the club for the remainder of the semester.

The elected officers are Tony Sartori, president; Lyle Maunder, vice president; and Steve Brucker, secretary-treasurer.

On the executive committee will be Ken Burr, Jim Davis and Dick Shumsky who represent the publicity organs on campus. The athletes on the committee who represent the various sports are Jim Zimmerman, basketball; Mark Swiegart, football; Steve Shepard, cross country; Steve Haimowitz, water polo; Manuel Fuller, track: Pat Doyle, baseball; Steve Myer, swimming; Doug Washburn, gymnastics: Melvin Dick, tennis and

The first meeting of the committee will take place Tuesday in the Men's Gym wrestling room at 11 a.m.

Sid Craig, president of Valley Associated Business Students, served Valley last Saturday as a delegate to the regional student government conference at Antelope Valley College.

Craig and 14 other delegates, accompanied by Mrs. Mae Johnson of nursing and William Lewis, dean of student activities, left Valley at 6:30 a.m. to attend the first Area 4 regional conference of the California Junior College Student Government

Craig attended the workshop on cultural programs on the college campus. There he submitted and succeeded in passing a resolution to set up correspondence between the Area 4 member schools dealing with cultural programs and the problems in-

Usuable Toys Sought **By SCTA Members**

Halloween night will find SCTA members knocking on the doors of Valley residents asking for usable toys to be distributed to children's hospitals throughout the Valley area.

The requisitioning is to be in the form of a scavanger hunt which is to be the highlight of a Halloween party being given by the organization.

Ice Skating Event **Highlights Activities**

The German Club is sponsoring its semi-annual ice skating party to raise scholarship funds on Nov. 9 at the Van Nuys Iceland, 14318 Calvert St., from 8:30 p.m. to 1 a.m. The cost, including admission, skates and refreshments, will be \$1.25 per person. Tickets may be purchased from club members or at the door.

A Halloween party will be given by the club on Nov. 2 at the home of Carol Shiffer. Club members must wear a costume to be admitted. Direction maps to the party will be available at the club meeting or at the Foreign Language building.

On Nov. 6, the club is attending "Capriccio," a Strauss opera in German, at the Shrine Auditorium.

The club now meets every Tuesday and Thusrday. Tomorrow films of Germany will be shown, provided by the German Consulate. All students are invited to attend.

Tech Club To Swap Parts and Equipment

The Valley Techs Club is planning a Swap Meet which will be held in front of the Physics Building Nov. 14

Everyone is invited to attend the meet and to trade electronic parts or equipment such as old radios. Further information may be obtained by getting in touch with Joseph Labok, electronics instructor.

The Techs Club is also planning to obtain an electronics workshop. There is a possibility that the workshop will be located in B 49.

Harry McMahon, Techs president, announced that the Valley Techs would show their school spirit by attending the Santa Monica football game as a group.

Late TAE Pledges Given Last Chance

At Athenaeum Program liams, editor of "The Nation," at Monday's Athenaeum lecture.

Carey McWilliams Lectures

On 'Dissent in Our Society'

Speaking before an overflow crowd in the college's Little Theater, Mc-Williams titled his speech "The Need for Dissent in American Society.'

McWilliams cited examples of the "suppression of dissent in America" in fields as diverse as art, religion, science, business and politics and pomorrow after spending three days at "This great nation was conceived

on dissent," said McWilliams. "Never before in history was a nation so dedicated to the idea of dissent. Yet in 1963 the principle is being increasingly challenged," he charged.

Speaking on the arts, McWilliams said that, "there is reason to believe that in our society, artists are becoming organization men." He attributes this to the "tacit censorship of the

"The ethical and moral leadership in religion is now giving way to majority rule for moral issues," he said. McWilliams further stated that ministers following this trend "defaulted in their obligation to moral issues.

Bookstore **Worker Dies**

Roy Elledge, warehouse and stock worker in the student store, died Tuesday morning, Oct. 22, following a delicate heart operation.

Employed at Valley for a number of years, he underwent emergency heart surgery Oct. 20, the last day of a two week vacation.

After retiring from Valley's custodial staff, Elledge, 71, switched to the student store where he earned the friendship and admiration of all who had the privilege of working

Elledge is survived by his wife, a son, a daughter, Miss Kathryn Elledge, hostess of the student lounge for nine years, three grandchildren and two great-grandchildren.

"Independent scientific discovery is in jeopardy by the fact that more and more scientific effort is being organized and pointed toward certain objectives," he said. McWilliams felt that this is often unavoidable, but that random research is being aban-

doned as a consequence. Only in business and management have "mavericks" been welcome, he stated. "Since 1955 management has been in almost total revolt against organization men," said McWilliams. He noted a tendency to encourage the principle of dissent in business.

"Conformism is our greatest peril in American management today," he warned in conclusion of that topic. McWilliams made his most serious charges against American politics

and the 1960 Presidential campaign. "Politicians are afraid of dissent and are elected by the people for catering to their wishes," he said. "This is no idle danger."

McWilliams attributes the "decline of dissent in America" to "the organizational revolution in American society" and to "the terrifying impact

of new knowledge."

He emphasized the indispensibility of dissent, saying that "all societies must grow, adapt and change, or die." A large portion of the audience

had been met by workers passing out pamphlets charging McWilliams with 'Communist activities." Dr. Fletcher. Athenaeum chairman, commenting on the literature, said, "I welcome this interest and the Athenaeum does. Valley College is a market place for ideas. We want people of differing opinions and we want students to have the opportunity to make up their minds based on the truth."

Throughout his speech there was scattered applause and vocal disagreement. The need for dissent was certainly satisfied as the audience discussed issues outside the theater for more than a half hour.

Valley College President, William J. McNelis, stated that McWilliams had given a "thought-provoking speech" and was "well received by an interested and enthusiastic audience."

FROM CAMPUS TO CAMPUS... FROM COAST TO COAST... THEY ALL LOVE

If you can take your nose out of that text book for just a moment, you'll notice that Yum-Yum has emerged as the most stimulating campus sport in many a year. Who needs panty raids when you can Yum-Yum under a large tree or in a little sports

car? Be advised, however, that on rainy days the hip prefer their Yum-Yum indoors. (Research rooms of libraries and empty field houses are considered the choicest locations.)

As you've probably deduced by now, Yum-

Yum is strictly for Him and Her. And in Columbia's riotous new comedy "UNDER THE YUM-YUM TREE", (Columbia Pictures, not Columbia University) Yum-Yum is developed into a high art form by its greatest practitioner,

Hogan, hilariously portrayed by Jack Lemmon, is a lecherous landlord who rents apartments to attractive girls and goes from door to door with a heart-shaped passkey. One of the tenants is Carol Lynley, a curvy co-ed who is conducting a cozy experiment in platonic, pre-marital co-habitation. (It's all in the interests of science.) Dean Jones is her nervous wreck of a fiance and Edie Adams is on the premises as the marriage-counseling teacher who takes a tumble for Hogan.

Hogan's own apartment, happily referred to as "The Sin Bin," is an electronic ambush-on-virtue that could make etchings obsolete. There's a violin section, for example, that emerges out of nowhere and plays, without benefit of human hands, "Music To

Make Yum-Yum By." There's also a bar with enough whiskey to refloat the Titanic. But don't get Hogan wrong. Jack Lemmon defines Hogan as "a man who is outraged at humanity. Therefore, everything that seems outlandish and bizarre to the rest of the world, seems perfectly normal to

We guarantee it's marvelous mayhem and sure-fire material for a term paper on Laughter. It may not earn you an "A" -but what an 'education' when you see Jack Lemmon in Columbia Picture's "UNDER THE YUM-YUM TREE," co-starring: Carol Lynley · Dean Jones · Edie Adams · Imogene Coca · Paul

him. Hogan cannot understand why the world is so ungrateful to

Super Gades' Whip Lions Corsairs Seek First Win

BY DICK SHUMSKY Sports Editor

Valley looked like a good junior college football game Saturday in its Homecoming Game against Bakersfield, but the Renegades were a super team, as it scored a 33-13 victory before 5,500 excited fans at Monarch Stadium.

The Monarchs shocked the bigger Renegades by consistently outhitting them, but a leaky pass defense and other costly mistakes proved too much for the inspired Valley team to con-

Bakersfield drew first blood when with a little over eight minutes remaining in the first quarter it scored on a 15-yard run by hard-working fullback George Mendiburu, who was the leading ground gainer with 99 yards to his credit. The key play of the scoring drive was on third down and 15 yards to go. Rickey Swan unleashed the vaunted Renegade passing attack by hitting halfback Jim Ebling to pick up the important first

Scheck Rolls

The two teams then played on ever terms until midway through the second quarter when Monarch quarter

BUTLER PICKED

Fullback Charles Butler was se lected by the Valley College Letter men's Club as the player of the weel for his superb offensive and defensive play in the Long Beach game which was played two weeks ago.

Nominated for their play in the Bakersfield game were defensive end Jim Trense, offensive end Bob Whit worth and quarterback John Scheck The trio stared in Valely's strong but losing effort against the Renegades.

back John Scheck rolled out and sneaks Scheck was able to score and Oakley fumble on the Reneturned in a nifty 36-yard run to the Bakersfield 15-yard line. Valley's fired up offense then stalled and on fourth down Mike Peeples' attempted field

However, two plays later Peeples redeemed himself by recovering a Renegade fumble deep in Bakersfield territory. Two runs by Mike Koutnik and one by Steve Oakley put Valley on the one-foot line, where after two came after Bakersfield recovered a

score at seven-all.

Valley's joy was extremely shortlived as on the ensuing kickoff Ebling of Bakersfield received the ball on his 14-yard line and went untouched behind great wedge block-

RICHARD'S ALMANAC

RenegadeFans Strictly Bush

By DICK SHUMSKY, Sports Editor

Bakersfield has a great football team, and it has a good chance to go all the way to the Junior Rose Bowl, but the Renegade fans

At least that is the impression some 2,000 Renegade rooters who traveled down from their mountain hamlet to attend Valley's Homecoming Game tried to convey.

The Bakersfield cheerleaders had a great time at halftime pulling off streamers and other ornaments from passing Valley floats much to the delight of the Renegade fans. That was bad enough, but the topper came after the game ended, when they rang a bell and chanted the score during the playing of the Monarch alma mater. That bit of sportsmanship came seconds after the Valley stands were silent out of respect during the Bakersfield alma mater.

Monarchs Upset

The antics of the rude Renegade crowd incensed the Valley players and cheerleaders. In fact, guard Vince O'Hare had to be restrained as he was about to challenge the Bakersfield fans. Afterwards O'Hare said angrily, "It was the most rank thing I have ever seen. It was a bad ending to what was a clean, hard-hitting game." Valley head cheerleader Gary Spanklin echoed O'Hare's sentiments, while still shaking his head in disbelief.

However, I think the Bakersfield people should be excused as it isn't often they come down from the hills. Apparently they just don't know the proper way to act. It was ironic, since moments before a Bakersfield scout in the press box said to me, "I just don't know why everybody has it in for the Renegades."

Right after the game ended Valley's head coach George Ker called his team together and gave a brief talk, saying, "I am proud of the way you played tonight. You have nothing to be ashamed of." And Valley's dressing room reflected Ker's attitude. The team was not down. The players gave a great effort, and but for a few mistakes Valley might have won.

Monarch defensive tackle Jim Trense summed up the feeling of the team when he said, "We were as good as Bakersfield. They just got the breaks. In the next four games we might blow the opposition out of the stadium."

Valley lost the big homecoming game, but it gained the respect of the student body for its great showing. If the Monarchs continue to play as well, Valley might still have a winning season.

Clarification

In my last column I stated without elaborating that Bakersfield came within one vote of being put on probation by the Metropolitan

Actually Bakersfield was accused of using illegal game films, by Santa Monica's head football coach Jim Powers. Santa Monica then presented a motion to the Metropolitan Conference which stated that is was illegal to use such films.

The Renegades claimed that what they did was not a violation of conference rules. Their position was verified when, by an eighteight vote, the members voted down Santa Monica's resolution.

Defeat to Victory

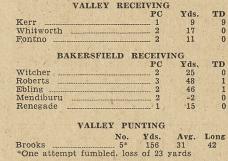

Valley may be presented with a belated victory over Glendale City College, due to the ineligibility of one of the Vaquero players.

The Monarchs lost the game 14-0 three weeks ago, but Glendale played Stuart Hartigan, who was declared ineligible by the commissioner of the Western States Conference. Glendale, who will probably forfeit the game if the ruling stands up, has appealed to the case to the State Athletic Committee.

According to the commissioner, Hartigan failed to meet the two semester attendance regulation which is required of all out-of-state athletes. The state committee will review the case at its next scheduled meeting Dec. 13.

a subsequent conversion tied the

ing for a touchdown

Bakersfield's final score of the game came on a gift. The Renegades recovered an errant Valley snap-back on a kicking situation on the Monarchs' three-yard line. Two plays later Leon Stevens went over. The

gade 36-yard line. Five plays later

Hilltoppers Bypass Aztec Meet

Staff Writer

From first to last in just one

That's when happened to Valley College's cross country team which competed in the Mt. San Antonio College Invitational held

The next meet on tap for Valley's undermanned hilltoppers was scheduled to be the Aztec Invitational in San Diego. However, with only five runners and two on the injured list, coach Charlie Mann has decided to

In 1962, led by Dick Krenzer, Joe Jacobsen and Co., Valley won both divisions of the Mt. Sac Invitational. But transfer and ineligibility among other things have left this year's team without any lettermen from last year's championship team.

This year Valley sent only four runners, which was not enough to score team points, as five men and their places are needed.

EXHIBIT TODAY

A volleyball exhibition promoting Saturday's open two-man volleyball tournament will be held today at 11

a.m. in the Men's Gym. Sponsored by the Youth Service Division, the two-man tournament will be open to both students and members of the community on Saturday. A Saturday deadline of 10 a.m. has ben set by youth services director Ray Follosco. The proceedings will begin at that time.

40 junior colleges. The Monarchs Martinez and Paul Walker were the were supposed to send five men to the meet, but Jerry Farris was sick and

only four made the trip. Valley's first man, Terry Cheever, was doing well until he was knocked down and only ran about three-quarters of the course. Steve Shepherd was the only bright spot for the Mon-

Speedsters Lead As Season Ends

after today's intramural competition, the free pass football teams will close out the fall 1963 season with the league leading Speedsters two games out in front of the remaining three

Although the new type of football was a question mark at the beginning of the season, the members of the four teams adousted well to the game and seemed to agree with intramural director coach Ray Follosco that the game would be both exciting and in-

The next phase of the intramural program will be the half court basketball which will start in three weeks. The teams will be comprised of either five or six men. This decision will be made at the conclusion of the free pass football season

other two for Valley and placed 90th and 120th

Citrus College won the open division scoring 102 points, Pierce was 2nd with 118, Santa Ana 3rd with 130, Glendale placed 4th with 160 and El Camino finished 5th with 163. Gene Carson of San Bernardino Valley College won individual honors. edging San Diego's national mile record holder Sterling Jenkins in 18:44.7. Jenkins was timed in 18:45.0.

John Krotzer of Citrus placed 3rd in 18:57, Dennis Johnson of Grossmont was 4th in 19:07 and 5th was Jim Pesso of Cerritos in 19:09. After skipping the Aztec Invitational, the next meet for the Monarchs will be the Orange Coast Invitational at Orange Coast College on Nov. 8.

Valley's Biggest Problem; Vaunted Buc Aerial Game

Staff Writer

Hoping to erase the memory of last week's Homecoming loss to Bakersfield, Valley will journey over the pass to Santa Monica to engage the cellar dwelling Corsairs Saturday

evening in Corsair Stadium. Both the Monarchs and Corsairs have been beaten by Long Beach and Bakersfield but the surf city club came a little closer to the powerhouse conference leaders.

Against Long Beach, the Bucs fell 12-9 while Valley was being snowed under 28-7. With equally powerful Bakersfield, Santa Monica was crumbled 30-14, while the Monarchs were

One bright spot in the records shows Valley with a 48-32 win over East Los Angeles, while SM's other attempt was a 14-6 loss to Cerritos. Valley is now tied for fifth in Metro

locked with East Los Angeles for seventh place.

Lettermen Numerous

Santa Monica will start a squad of nine returning lettermen, led by quarterback Doug Campbell. Last year, Campbell played behind JC All-American Steve Sindell, who is now playing ball at UCLA. A good running-passing quarterback, Campbell poses a threat on the roll-out option and also throws the long bomb to his sensational end, Shelly Novack, The Campbell-Novack combination will team against the Monarch defensive safety as the Corsair attack will try to exploit Valley's weak spot.

Leading SM's ground attack will be the backfield of halfbacks Charles Spaulding and Russ Benglen with letterman fullback Bob Boozell. Spaulding is taking over the lefthalf slot in place of John West, who has been moved to a defensive back position. Banglen is a returning letterman from last year's team on which he started as both a halfback and a tackle. Benglen's 6 feet, 41/2 inches, 215 pound frame enables him to make holes where none seem to be.

Fullback Bob Boozel took over the starting spot last year, although he had never played football before. However, his inexperience was overshadowed by his strength and speed, as he racked up 437 yards in 86 carries to lead the Corsair's ground gainers. This year, Boozel has spearheaded the Buc's ground attack. Loss of All-American

The loss of All-American end Pat Brosnan hasn't been felt too much by the Corsairs' coach, Jim Powers, Green Bay Packers. Mulleneaux was because of the outstanding perform- elected All-Pro for two consecutive ances of returners Novack and Russ years before his retirement in 1946

back spot to make up for the loss of Brosnan, Grossman has shown great promise in early games.

Novack played a great game against Long Beach as he snared one TD pass and made several other unbelievable catches.

Making up the Buc's forward wall will be Tebb Kusserow and Phil Vannatter at guards. Kusserow transfered from UCLA to take over the starting guard spot along with Vannatter, a letterman from the 1959 team. At tackles, the Bucs will have George Chumo and Phil Thames. Chumo was a starter on last year's team while Thames is a 19-year-old freshman from Culver City High. Holding down thecenter slot will be either Mo Freedman or Dick Turner. Both centers go both ways for Santa

Good Coaching Staff

The Santa Monica coaching staff is a story in itself. Head coach Jim Powers is an avid user of the protype "T" formation and tells his quarterbacks to pass. Valley's coach. George Ker, says, "Powers is a great quarterback coach; that is why every year Santa Monca comes up with a great quarterback." Powers has a bright football past of his own. He holds several passing records both at USC and in the old Pacific Coast Conference. After Troy, Powers played four years with the San Francisco 49ers. Assistant coach Carl "Moose" Mull-

eneaux played his college ball at Utah State and went on to play end opposite the great Don Hutson, for the
